Zareen Ahmed  
Signature

We submitted this material to the United States Environmental Protection Agency specifically under provisions contained in FIFRA as amended and thereby consent to use and disclosure of this material by EPA according to FIFRA. Notwithstanding the marking, "CONFIDENTIAL", this marking by itself conveys no supplemental claims of confidentiality under FIFRA sections 10(a) or 10(b). In submitting this material to the EPA according to the method and format requirements contained in PR Notice 86-5, we do not waive any protection or right involving this material (anywhere else in the world) that would have been claimed by the Company if this material had not been submitted to the EPA.
